## AWARDS

- Photoshop Certification
- NIC Dean's List for fall 2022
- Idaho Science and Aerospace Scholars Summer Academy
  - I spent a week with 40 other students from around the state of Idaho to plan a mission to Mars. We were split into teams and had to present our groups section at the end of the week. We also got to tour NASA's Jet Propulsion Laboratory, Micron, and the Griffith Observatory.
- National History Day Campus Discovery Grant
  - Participated in the school's National History Day competition, moved onto regionals, and was given the NHD Campus Discovery Grant for efforts.
- NIC Math Competition Scholarship
  - Was granted a scholarship to use toward further education at NIC after participating in a high school math competition held by the college.
